Each of us achieves goals  
in his own  
unique style.

Whether it is finally reach-  
ing high school . . .

. . . or walking away with our  
hard-earned diploma.

Whether it is finding a new  
friend . . .

. . . or cherishing the ones we've  
already established.

Whatever the circumstances  
may be . . .

*... It looks like we've made it!*

Each of us has a commitment to which he devotes his time  
and thinking.

Whether it is completing the homecoming float on time . . .  
. . . or getting an "A" on an exam.

Whether it is pushing a little bit harder to win a  
football game . . .

. . . or speeding up the pace to win a cross country race.  
Whatever the final outcome may be . . .

... It looks like we've made it!

Each of us has a special way of showing his appreciation  
of the good times we all have.

Whether it is sharing something special ...

... or having a good laugh.

Whether it is exerting all of our energy ...

... or just relaxing.

Whatever we decide to do, it is good to know that ...

... It looks like we've made it!

The Tradewinds staff of 1980 is proud to dedicate this year's annual to MRS. FLORENCE FOSSETT.

A teacher for 35 years, Mrs. Fossett has spent the past 14 here at Mayfair instructing ninth through twelfth grade English. This year she is heading up the school's Proficiency Center. She has taught almost exclusively within the Bellflower Unified School District since 1947, spending time at Ramona and Will Rogers Elementary Schools and Roosevelt Junior High before coming to Mayfair.

She earned her Bachelor and Master's degrees at the University of Illinois, and has attended several other universities as well, including UCLA, USC and Long Beach State.

Her past summer vacations have always been filled with excitement, as she has traveled to East and West Germany, Czechoslovakia, France, England, Ireland, Holland and Austria. Upon her retirement, she expects to continue her touring, as well as golfing every day and cleaning the garage, the latter which she speculates "will take three years."

Mrs. Fossett considers the years she co-taught pontoon with John Fitzpatrick as her most memorable at Mayfair. Her years as Girls' League sponsor are also a fond memory.

Monsoons are fortunate to have had such a gracious lady; she will be missed.

Thank you, Mrs. Fossett, for giving so much of your time and self to us.

*1980 Tradewinds fondly dedicated  
to Mrs. Fossett after 14 years at MHS*

*ton earns  
thlete of Year  
vard for girls*

The 1979-80 girl ATHLETE OF THE YEAR title has been bestowed upon an exceptional athlete, SHERRY EATON.

Sherry's athletic career began when as a freshman she played J.V. volleyball. Her progress in this sport led to her making the varsity squad for her next three years, being named Most Improved as a sophomore.

Though Sherry's accomplishments in volleyball are impressive, she will perhaps be best remembered for her efforts on the varsity softball and basketball teams.

Playing third base in softball, she was on the varsity team all of her four years at Mayfair and was named to the All-Suburban League second team in 1979, the year in which the Mayfair girls won the CIF 2-A championship.

Sherry also was on varsity basketball in each of her four years, playing guard and being named Best Defensive Player in 1979. This year she helped to lead the team to a berth in the CIF finals.

Sherry's athletic abilities will long be remembered and her efforts will serve as an example to future girl athletes here at Mayfair.

Kemp honored

as '80's

top athlete

Honors for 1980's ATHLETE OF THE YEAR go to a most deserving senior boy, ANTHONY KEMP. Tony has displayed the leadership and sportsmanship needed to be the fine athlete he is.

In his years at Mayfair, Tony has lettered in four different sports, including football, basketball, baseball and track. Being a three-year Varsity football starter, Tony was named to the All-Suburban League football team all three years. In basketball, he lettered and was named to the All-League team the last two years. Along with his letters in basketball, he also holds the single-game assist record with 16, most ever in Monsoon history.

With his two Varsity letters in baseball and in track and field, Tony has been awarded eight varsity letters in his three years at Mayfair. With all these credentials, Tony has been a great asset to our sports program.

Tony has been an extremely valuable and inspirational individual to represent our athletic department and should be congratulated by the Mayfair student body.

## *Principal's Award goes to class pres.*

In recognition of her outstanding service to the school, the 1979-80 Principal's Award has been presented to PATSY AGUIRRE.

Patsy has been very active in the clubs on campus, being involved in Amicitia, Palefire, Adelphi and Tennis Club. She also served as prom chairman in her junior year and was homecoming coordinator and float chairman as a senior. Through this busy schedule, she has maintained a 2.75GPA.

Active also in student government in her years at Mayfair, she has held the positions of junior and senior class president, as well as having served on the election committee as a sophomore.

She has left her mark in athletics as well, playing tennis in each of her four years and serving as wrestling statistician her sophomore, junior and senior years.

Patsy has always been there when she was needed, eager to do whatever job was necessary. It is for this reason that she is being honored.

## *Craig is Outstanding Student*

This year's recipient of the Outstanding Student Award is BRADLEY CRAIG.

Craig has maintained an almost perfect G.P.A. of 3.94. He has not participated, except for the National Honor Society, in many school clubs activities, since he keeps busy by working 20 to 25 hours per week. Outside of school and work, he enjoys snow skiing. He also was involved in school's bowling program for two years.

Craig has been saving his money for college. He intends on furthering his education at UCI, where he will be studying engineering.

## Mary Kamau makes it to Mayfair from Kenya

I would like to give my utmost thanks to my teachers, the A.F.S. club, the A.S.B. cabinet, and everybody else who helped my year in the United States be an unforgettable one. I have had so much fun talking to the kids in Mayfair and some of them have proved to be really good friends.

I think I am having a great experience getting to know the people here and acting as an ambassador of my country.

I also want to thank my family, the Bures, for everything they have done for me. They have really been nice to me.

Thank You Everyone Again,

Love,

Mary Kamau

## *Gail Riggs from Maine attends fall term*

These six months in California have gone by so fast! It seemed more like six weeks than six months, but when I look back on the things that I have accomplished, I feel that I have done a lot. These experiences have changed me as a person. I feel I have grown in so many ways. I'm really glad I came and I'm sorry to leave because I've had so much fun. I wouldn't have given any of this up for anything.

The people have been an experience in themselves. They have been very friendly and always helpful. I've made some good friends and I'm sorry to go, but I will always remember the good times I've had here.

Within the glow that weaves the cloak of delight,  
The news is thread, that has no end.

So many hours and days, that pass ever soon;  
The tides have caused the flame to dim.  
And, at last, the arm is straight,  
the hand to the loom.  
Is this the end or just beginning?

All Of My Love, All Of My Love,  
Oh, All Of My Love To You.

The cup is raised, the toast is made again;  
One voice is clear above the den.

Proud Ariane, one word, my will to sustain.  
For me the clock once more is still.

Oh, All Of My Love, All Of My Love,  
Oh, All Of My Love To You.

# end, receives AFS students

Mary Kamau, the foreign exchange student, is from Mombassa, Kenya.

Gail Riggs, the domestic exchange student, is from Winthrop, Maine.

Tod Burnett with the Hume Family on their dairy farm in New York.

During the first semester of last year, I stayed in Alexander, New York, under the A.F.S. Domestic Exchange Program. Alexander is a small, farming community. I lived with the Hume family where I had two brothers, John and Roger.

My first day there I was up at six o'clock and working on the dairy farm. I mainly helped out with the feeding of the cows and calves.

I attended Alexander Central High School. It had a closed campus and is three stories high. I had eight periods a day. While at school I was involved with the band, chorus, student government, A.F.S. and I was manager of the Varsity Basketball team.

While I was in New York, I visited such places as Niagara Falls, Attica Prison, Bluemont ski resort and the Holland land office.

My Host family was terrific. They did everything for me, and I couldn't have asked for a better family. It was real hard for me to leave them and all the other friends that I had acquired.

I would highly recommend A.F.S. to anybody interested.

# class with class

Dear Seniors,

Although the word "commencement" is not used as often as the word "graduation", it comes to my mind as I think of you. A commencement refers to a beginning, and beginnings have been an important part of our time together. I began my career as a counselor with you last year, and I have found it exciting, challenging, and satisfying.

Many of you, I know, have had times of beginning: times when you began to care more about your classes, times when you began new jobs, and times when you began to work harder on relationships with the people in your world. You have grown as individuals.

Now at this new beginning, as you look toward your own unique life styles as adults, I wish you the best for your future plans. Keep growing!

With love and respect,

*Chris Basch*

*Our new decade of 1980 brought along with it some very new, exciting happenings:*

*Students, teachers experienced a 5-period day schedule. We exchanged a total of six principals and vice principals. We have seen the crowning of our homecoming queen, Rhonda Noordman. Four teachers have left Mayfair, two for new jobs and the other two because of injuries. Our Girls' Varsity Basketball team advanced into the C.I.F. 2-A Finals with five of these girls on the C.I.F. 2-A softball championship team. We, the Mayfair Monsoons, protested and fought hard at school board meetings to keep our school open. With all of our fighting, cheering and protesting . . . IT LOOKS LIKE WE FINALLY MADE IT!*

*It looks like*

*we made it!*

The year is finally over and our yearbook is finished. The Tradewinds staff chose the theme "It looks like we made it!" because we felt that it applied to everyone, in any direction they turned. There are many people who contributed much time and effort to produce the yearbook. I would personally like to thank the following people:

Mrs. Sue Selman- our Yearbook advisor  
Mr. Paul Collins- Yearbook representative

Mr. Donn Ashton- Principal  
Sherry O'Reilly- associate editor
